#### REPORT OF EXECUTIVE COMMITTEE.

We, the Executive Committee, have appropriated the associational mission fund on hand for the year ending October 10, 1890, to the supply of destitutions. The following named brethren were employed to take charge of these destitutions respectively: Rev. R. W. Roe at Cross Roads; Rev. S. T. Collier at High Point, and Rev. E. J. Barksdale at Corbin's School-house, and Rice's Mill, all in Marshall county, Alabama. Amount to be paid each \$10.68. From the reports of the above named brethren we feel satisfied that they have done much good, and the prospects are favorable for prosperous and influential churches at each of these places.

Respectfully submitted,

W. D. KIMBROUGH, Chairman.

Report adopted.

#### REPORT OF COMMITTEE ON SABBATH SCHOOLS.

Your committee on Sabbath Schools beg leave to make the following report:

After examining the letters sent up to this body we find the Sabbath School cause at a very low ebb, as there are only six churches reporting schools, and only four of them giving the number of scholars. Dear brethren, is this according to the doctrine and faith of our denomination? We think not. We would earnestly recommend our brethren to bestir themselves to a greater diligence in this very important matter.

When we look around and see the number of youths of our land that are being neglected by our denomination in this particular, and see the efforts being made by other sects for the training of the young in their doctrine, we are made to see and believe that we, as Baptists, are neglecting one of the most important auxiliaries to our churches. Oh, that we may see and feel the great responsibility resting on us, as Missionary Baptists, for the proper training of the rising generation. We pray that the time may soon come when each church in our Association may go to work in the Sunday School cause, using our own denominational literature, and impart to the young the true teachings of the Script-

ures. We recommend that this Association appoint one brother in each church to work up the Sabbath School cause, and report the same to this Association next year.

N. P. CLARK, Chairman.

The report elicited interesting discussion from brethren N. P. Clark and A. J. Noblet. Pending the adoption of the report, the hour of preaching having arrived, adjourned till one o'clock. At 11 o'clock Bro. A. J. Noblet preached, followed by Brother J. J. Clayton.

#### 1 O'CLOCK P. M.

Association met and opened with prayer by Elder H. C. Reed. Received Elder J. D. Petit as correspondent from Etowah Association, and H. W. Head as visitor from Warrior River.

Resumed consideration of the Sabbath School report, and adopted same after discussion by brethren Reed, Clayton and others.

#### REPORT OF COMMITTEE ON FINANCE.

[See financial exhibit of Marshall Association.]

The committee on Missions made the following report, which, after being discussed by several brethren, was adopted:

We, your committee on Missions, beg leave to report that, judging from the letters from the churches, but little, comparatively, is being done in this great and grand work by this Association. Brethren, it seems that our people are asleep to this important duty, while millions of souls are perishing for the bread of Spiritual life. We recommend that this body adopt some plan that we may be aroused and become alive to this duty as Missionary Baptists. We recommend that each pastor preach at least one missionary sermon to each of their churches, also that each church exert themselves to the utmost of their ability during the next Associational year to raise more missionary funds.

Respectfully submitted,

J. A. ODEN, Chairman.

Heard report on education, in the discussion of which Howard College and Walnut Grove College were highly recommended to our patronage.

#### REPORT ON EDUCATION.

We, your committee on Education, beg leave to report as follows:

We believe that the interest in education is somewhat on the increase, but we believe that there is great room for improvement. Dear brethren, we recommend that great care be exercised in the selection of teachers for our common schools. We believe that our teachers should possess religious principles. We believe that an education is essential to the better understanding and exposition of the truths of the Bible, and, realizing the fact that we live in a progressive age, we especially recommend that our young brethren, not only those who are entering the ministry, but all who

contemplate attending college, that they avail themselves of the advantages of our denominational schools.

Respectfully submitted,  
H. C. Reed, Chairman.

Report adopted.

On motion adjourned till 7 o'clock p. m.

Met pursuant to adjournment. Prayer by G. M. Milner.

#### DECEASED MINISTERS.

Received and adopted report on deceased ministers, as follows:

We find that the providence of God has graciously spared the lives of all of our ministers another year, and we recommend the regular order of business be suspended and all engage in prayer to God for his providence bestowed on us. We further report that the Lord has seen fit to remove, by death, our beloved brother, E. M. Lasseter, Treasurer of this Association, and, while we pray, let us ask God to enable us to bow in humble submission to Him who doeth all things well.

Respectfully submitted,  
W. J. COLLIER, Chairman.

Business was suspended and prayer made, led by Bro. Noblet.  
Heard and adopted report on documents.

#### COMMITTEE ON DOCUMENTS.

We, the Committee on Documents, find that Gilliam Spring and Hopewell churches each ask for the next session of this Association. We recommend that this body convene with Hopewell church, on Tuesday before the second Sabbath in October, 1891.

Respectfully submitted,  
J. P. BUCHANAN, Chairman.

The above committee furnished list of ministers, and postoffice of each.

Wednesday of the next session was set apart as devotional day.

Heard and adopted report of committee on Publications, as follows:

#### COMMITTEE ON PUBLICATIONS.

We, the committee on Publications, recommend that all literature of all creeds be barred from our Sunday School and church libraries, and that none but Missionary Baptist literature be used. We recommend the "Kind Words" series of Sunday School help, published at Atlanta, Ga. We recommend to your confidence the American Baptist Publication Society at Philadelphia, where all classes of Baptist books and pamphlets are furnished at the lowest possible prices. All their publications are handled by the Book and Bible depository, at Opelika, Ala., J. B. Collier, agent. Every Baptist family should take the Alabama Baptist. We also rec-

commend Ford's Christian Repository, edited by Dr. Ford, St. Louis, Mo., and The Christian Index, Atlanta, Ga.

W. D. KIMBROUGH, Chairman.

Heard report of committee on Temperance, which, being slightly amended, was adopted. after animated discussion by a number ber of brethren.

#### REPORT ON TEMPERANCE.

Your committee on Temperance would submit the following.

We believe the evils of intemperance are plain before the eyes of all intelligent people, and we believe that the time is near at hand that the evil will be removed from our land. Intemperance has been, and to some extent is yet, the greatest evil the churches have to battle against. But we believe that it is giving way before the light of truth, and the time has come when every Baptist should take a firm stand on the side of temperance, and let the world know that Baptists are true to the faith of the gospel of Christ. We find, too, that almost all denominations are taking this great Bible truth to heart, not only introducing it in the churches, but inforcing its principles around the fireside, and we are persuaded that we, as Baptists, should rise as a unit against this evil that is burying hundreds of our race annually, filling our land with widows and orphans. Brethren, may the Lord help us to persuade men to live soberly.

Respectfully submitted,

C. C. COLLINS, Chairman.

On motion the following amendment was adopted:

That when a member of the church is in the habit of getting drunk often, and often making confession, the unscriptural union should be dissolved by withdrawing fellowship.

The committee on nominations submitted the following, which was adopted:

To preach introductory sermon, Rev. E. J. Barksdale; alternate, Rev. G. M. Milner.

Sabbath School address, N. P. Clark; alternate, Rev. P. J. Corley.

Missionary sermon, Rev. R. W. Roe; alternate, Rev. C. C. Collins.

Ordered that the clerk have ten dollars for his services, and the ballance of minute fund be used in printing and distributing minutes.

Authorized the clerk to furnish copies of minutes to correspondents and others.

Appointed General Meetings: 1st district, Albertville, Friday before the 4th Sunday in July. Second district, Clear Spring, Friday before 5th Sunday in August, 1891.

On motion adopted the following resolutions:

*Resolved*, That this Association heartily disapproves of our churches receiving members who have been excluded from sister churches without first investigating the cause of their excommunication, and that if any of our churches have done this they be asked to reconsider.

*Resolved*, That we request the pastors and delegates of the churches to

make an effort to raise during the next year missionary contributions in keeping with our ability.

The committee on Treasurer's Report made the following:

From the minutes of last year and the receipts found among the papers of our deceased treasurer, we find the following to be the condition of our treasury:

E. M. Lasseter, Treasurer, in account with Marshall Association:

|                                     |         |
|-------------------------------------|---------|
| To cash, minute fund.....           | \$22 55 |
| To cash, for mission.....           | 52 00   |
| To cash, from former treasurer..... | 32 05   |

\$106 60

|                                      |         |
|--------------------------------------|---------|
| By cash to Clerk (Report No. 1)..... | \$22 55 |
| By cash to State Mission Board.....  | 56 90   |
| By cash on hand.....                 | 32 05   |

\$111 50

The overplus of credits is supposed to be due to a mistake in financial exhibit of last year. Mt. Olive church should have had credit for mission fund.

Adopted the following:

*Resolved*, That we tender our heartfelt thanks to the brethren and sisters of Mt. Hebron church and vicinity for the kind and hospitable manner in which they have received and taken care of us during our stay among them.

The Association then adjourned, having been entirely harmonious. May the Lord henceforth help us to maintain the unity of spirit in the bonds of peace.

There was a large congregation on Sunday. The appointee being ill, the Sabbath School address was made by Elder R. W. Roe, followed by Rev. J. J. Clayton. Mission sermon by Elder P. J. Corley, followed by Elder E. J. Barksdale. Collected for missions \$16.

E. J. BARKSDALE, Moderator.

G. M. MILNER, Clerk.
